*Section 1. Personal Portfolio*

**Degrees and titles**

Academic degree: Master of Pedagogical Sciences

Academic title: lecturer

**Education**

- In 1990, he received(a) higher education at UKPI, in the specialty «Chemistry with an additional specialty biology», was awarded the qualification «Teacher of Chemistry and Biology».
- In 1990, he received(a) higher education in UKPI, specialty «Chemistry with additional specialty biology», qualification «Teacher of Chemistry and Biology».
- In 2020, he received(a) postgraduate education at the S.Amanzholov EKSU, in the direction of «Scientific and pedagogical», awarded the degree of «Master of Pedagogical Sciences».

**Post**

Lecturer of the Department of Chemistry, at the Higher School of IT and Natural Sciences.

**Professional experience**

- Total experience: 30 years.
- Master of industrial training at S. Amanzholov East Kazakhstan University – 14 years old.
- Lecturer at the Department of Chemistry of S. Amanzholov East Kazakhstan University - 4 years.

**Courses taught**

Analytical chemistry, inorganic chemistry, chemistry of natural compounds, analysis of environmental objects.

**The languages in which he teaches**

Kazakh

### **The main scientific direction**

Chemistry of natural compounds, analytical chemistry

### **Scientific interests**

Formations, Chemistry of natural compounds

### **Research space**

Higher education

### **Master's thesis on the award of a master's degree**

Master's thesis on the topic «Glycyrrhize glabra L. obtaining phytopreparations from plants», VKGU named after S. Amanzholova June 24, 2020 g.

### **Scientific and pedagogical internships and professional development**

1. International research internship in the Russian Federation, Barnaul, Altai State University 2019 No. 2000329. Advanced training course «IT literacy of a university teacher» at the S.Amanzholov Higher School of Economics 2020.
2. Advanced training course «Chemistry» of Al-Farabi Kazakh State University, Almaty. 2021 No. 9207.
3. Advanced training course «Distance learning technologies in higher education» Association of Higher Educational Institutions of the Republic of Kazakhstan 2021 No. 041.
4. Advanced training course «Supercritical fluid technologies», 2023.

### **Scientific works**

Author of more than 20 textbooks, articles included in the Web of Science database, committee for Education and Science of the Ministry of Education and Science of the Republic of Kazakhstan 3.
