Portfolio of a lecturer at Sarsen Amanzholov East Kazakhstan University

Personal portfolio

Ashim Tolganay Makhsatkyzy

Date of birth: 18.09.1996

Email: ashim_tolganay@mail.ru

Degrees and titles

Academic (academic) degree: Master of Sciences

Education

• In 2018 received higher education at the Eurasian National University named after L.N. Gumilev.", majoring in Mechanics.

• In 2020 received a master's degree at the Eurasian National University named after L.N. Gumilev.", majoring in Mechanics.

Positions

Senior Lecturer at the Department of Computer Modeling and Information Technology, Higher School of IT Technologies and Natural Sciences.

Professional experience

• Total length of service: 4 years

• Work experience in the EKU: 4 years

Giving lectures and conducting practical work on robotics.

Courses taught

1. Robotics Basics
2. Robotics and artificial intelligence
3. Programmed robot control

The languages in which he teaches

1. Russian

2. Kazakh

The main scientific direction

Improving the educational process, the relevance of creating artificial intelligence, the practical use of robots.

Scientific interests

Computer modeling of problems in fluid and gas mechanics, mathematics and mechanics using programs

Research space

Software, artificial intelligence, robots, mobile applications, study of various technological tools and their impact on the educational process.

Scientific works

Article in conference collections: 2

State awards
