

Last name, first name, patronymic:

Abilmazhinova Gauhar Almesakovna

Position (Department):

Senior Lecturer of the Department of Chemistry Amanzholov University

Information about education:

Teacher of Chemistry and Biology (1989–1994), East Kazakhstan State University

510750 Chemistry (2003–2005), Sarsen Amanzholov East Kazakhstan State University

Academic degree:

Master of Chemistry

Academic title:

Master in Chemistry

Pedagogical experience:

18

Subjects taught:

Colloidal Chemistry

Physical and Colloidal Chemistry

General Chemistry

Methods of Teaching Chemistry in Small-Scale Schools

Chemistry and Technology of Nuclear Fuel

Inorganic and Organic Chemistry

Examination of Petroleum Refining Industry Products

Scientific interests:

Chemistry of natural compounds

Publications and articles:

WoS и Scopus:

1. Ms. No. OPENCHEM-D-25-00071R1
Structure, Synthesis, and Catalytic Applications of Bulk Perovskite Oxides: A Critical Review
Open Chemistry

Study Guide

1. Theories of the Origin of Oil
2. Chemical Synthesis
