

**Last name, first name, patronymic:**

Askarova Moldir Askarkyzy

**Position (Department):**

Lecturer of the Department of Chemistry Amanzholov University

**Information about education:**

5B011200 Chemistry, 2016–2020, Sarsen Amanzholov East Kazakhstan State University

7M01504 Chemistry, 2020–2022, Sarsen Amanzholov East Kazakhstan University

**Academic degree:**

Master of Pedagogical Sciences

**Academic title:**

Master in Chemistry

**Pedagogical experience:**

5

**Subjects taught:**

Fundamental Theories of Inorganic Chemistry

General Chemistry

Chemistry Practicum

Chemistry of Elements

**Scientific interests:**

Chemistry of Elements and Inorganic Chemistry

**Publications and articles:**

**Study Guide**

1. Methods of Conducting Chemical Experiments at School
